Dual Structure Cushion & Fabric

Curble chair working principal LEVERAGE EFFECT

When sitting on Curble, the support's leverage effect pushes the T-spine naturally to make a correct posture.

We are able to protect your curve on spine

How to use

STEP 01 Place the product 10m-15cm away from the backrest of a

regular chair.

STEP 02

Hold the product wiht both hands and put your hip seated deep to the end.

STEP 03 Your body weight naturally pushes the waist and corrects your posture.
